Cypress Creek Basin Clean Rivers Program

Stakeholder Meeting Notice and Questionnaire

February 1, 2025

You are receiving this notice because you indicated you are interested in water quality issues in the Cypress Creek Basin.

You are invited to participate in the Northeast Texas Municipal Water District Annual Clean Rivers Program Steering Committee meeting. The purpose of this meeting is to discuss water quality in the Cypress Basin and to receive input from people or entities that are affected, engaged, or otherwise interested in the status of the waters in our Basin. As in previous years, this will be a joint meeting with the Sulphur River Basin Authority and will include topics of interest in the Sulphur River Basin.

The meeting will be held at 9am on Thursday March 27th, 2025 in the Community Room at North Texas Community College.

This meeting is being held in-person and virtually. Advanced registration is required for virtual attendance at: <https://us06web.zoom.us/meeting/register/g1Zz1YnOSzKu82G0PMkK-g>

Questions:

1. Are there any issues in the Cypress Creek Basin that you feel warrants discussion with our group?
2. How do you feel about the water quality within this basin?

Below is the proposed agenda for NETMWD. Please let us know at rspeight@netmwd.org if you have a related topic for this agenda or have any other questions.

Agenda Topics

Basin Summary Report
Aquatic Invasive Species
Total Phosphorus Load Agreement
Onsite Septic Report

Thank you
Robert Speight
Environmental Manager
